## Committee Questions

---

What are the enrollment number for current year?

Actual count starts on Monday and runs for 20 days.

What does the bus schedule look like for FY 17/18 in regards to start and stop times?

According to the school meeting it appears Ninilchik would like the later start and Champan would like the earlier start. Principal meeting in Homer on 10/5/16 will give a better perspective to this question.
