Student Council is talking about reviving some of the old ideas and redesigning to be Covid responsive

Student council recognized the efforts of running club as a positive for student

Olivia reported they had student elections and have a six-member council

Mr. Ambrosier stated:

He is very supportive of continuing efforts for both Red Ribbon & Spirit week as soon as school resumes in person.

Jane Beck stated;

Project Grad would be willing to partner with NTC and connect thru HSS Grant (which is primarily for marijuana education which leads in well with Red Ribbon Week) for Red Ribbon Week Also, Project Grad would like to extend their services to help students & teachers.

NTC

Katie Mathews reported Study Hall open all week from 12:30-4:30. Teen Center is offering rides to and from the teen center for study hall.

Teen Night Friday night 3:30-8:30

Red Ribbon week has been postponed until schools are out of red

Providing incentives to get parents to attend Parent/Teacher conferences virtually

Trying to develop a plan for NYO practice & workouts in order to keep students active

Project Grad

Jane Beck stated she is normally is very prepared and could talk for an hour, but Project Grad is currently adding additional support to Nanewalek because of the fire they had there recently. Project Grad is Looking for ways to provide support for both teachers and students. So, if you have any suggestions please let her know.

Jane talked about the roles of her staff and their willingness to connect with students, she is currently trying to obtain federal waiver to be able to be in person with students.

PRINCIPAL

- Parent teacher conferences will be virtual because southern peninsula is currently in red
- Leading a k-12 administrator team looking at ways to develop a sustainable education plan into the future offering in person, and possibly a regional remote plan for k-12. We all recognize having teachers teaching in class while also teaching online is not sustainable into the distant future.
- All schools need to look at the Smart Start stay adhere to the guidelines for physical distancing, hand washing, mask wear and symptom free schools.
- AASA is revising current sports to wrap up by November 22nd, AASA has pushed the wrestling season into the spring, basketball has been pushed to January thru April. All participants in sports must wear a mask at all times
- Finished report with positive comment from a teacher saying Drama class was one of the best classes and students embraced their roles in the virtual environment. Also, secondary students have stepped up to the challenges and most seem to be excelling this year
